Option: References & Portfolio

References

Available upon request.

When should you provide your Reference List? When in doubt, check with the employer. Many require your references only when interested in an interview. Always bring extra copies of your Resume and Reference List to interviews. Include at least two supervisory references.

Follow up on your applications with a phone call or email. Check if it has been received and ask if you could talk with someone about it. State your interest in the position, and briefly note your related strengths and experience. Ask when they would like your Reference List.
